Dear Jerry and Staff,

Congratulations on winning The Signal's 8th Annual 'Best of the SCV' Awards! I am pleased to personally inform you of this great accomplishment.

Perhaps you already know how enthusiastic local merchants and citizens are about this annual contest. I'm sure you have seen the blue ribbons or black plaques around town, or maybe you have some of your own from previous years.

I've personally assisted with the execution of this program, which allows our Readers the opportunity to select their favorites from among all of the Santa Clarita Valley's restaurants and businesses. In July, our Readers placed their ballots online at The-Signal.com and through the mail with newspaper ballots.

Infinity Wealth Management has won "Best Investment Company" of 2009!

In October, our winners will be featured in a special publication of The Signal, which will announce to our Readers which businesses were chosen. This is an opportunity for you, as a winner, to place an advertisement to thank our Readers for their choice. Every ½ page or larger ad will be accompanied by an article about your business (you submit) and a plaque to hang on your wall. I am enclosing flyer which includes the details about this advertising opportunity. Please contact me for more information or to place your advertising.

Congratulations!
